PROJECTS

Automated Question Paper Generator – QuestionCraft

May – June 2024

- Developed a desktop app using Python, Tkinter, and MySQL to auto-generate question papers in PDF/DOCX.
- Reduced manual paper-setting time by **70%**, enabling faster and more consistent exam preparation (Problem-Solving).

Dark Image Enhancement & Object Detection – LumiDetect [Link](#)

July 2025 – Present

- Designed a deep learning system using PyTorch, OpenCV, and YOLO to enhance low-light images and detect objects.
- Optimized for speed and scalability and improved detection accuracy by 35%. This can be applied in surveillance and night-vision systems (Analytical Thinking).

Smart Face Recognition–Based Attendance System

- Developed an automated attendance system using face recognition with OpenCV and DeepFace.
- Implemented secure login, student image management and real-time attendance marking.
- Built interactive GUIs using Gradio and generated subject-wise Excel attendance reports.

Social Impact Platform – ARES | Team Lead | HackHeritage Hackathon

Aug 2025

- Led a 4-member team, managing tasks and deadlines under a 36-hour hackathon (Leadership).
- Built the user-facing app with JavaScript and integrated OpenStreetMap for live data visualization.
- Added Web3 features using Ethereum & MetaMask, enabling a secure, transparent donation system (Collaboration, Communication)

SKILLS

- Programming:** Python, Java, DSA, OOP
- Web:** HTML, CSS, JavaScript
- Databases:** MySQL, MongoDB
- Tools:** VS Code, Figma, Git, Github
- ML/AI:** PyTorch, OpenCV, YOLO
- Blockchain:** Ethereum, MetaMask, Smart Contracts

CERTIFICATE COURSES

- | | |
|---|-----------|
| NPTEL Cloud Computing (12 weeks) -- NPTEL | May, 2024 |
| Problem Solving (Basics) – HackerRank | Aug, 2024 |
| Python (Basics) – HackerRank | Jan, 2025 |

EDUCATION

MCA	Heritage Institute of Technology, Kolkata	8.14 CGPA	2026
B.Sc (Comp.Sci Hons)	Jagannath Kishore College, Purulia	7.93 CGPA	2024
Intermediate (10+2 PCM)	Hem Sheela Model School, Durgapur	87%	2021
Matriculation (10 th)	Sacred Heart School, Adra	91.4%	2019

CO-CURRICULAR ACTIVITIES:

- | | |
|---|------------|
| Build with AI (Seminar) – GDG Durgapur | July, 2024 |
| HackHeritage Hackathon – Heritage Institute of Technology | Aug, 2025 |
